This week saw us visiting Tesco to investigate sugar; the children loved tasting the cookies and different cheeses. We were made to feel very welcome by all the staff. Comments were made by members of the public about how well-behaved our children were which is something we pride ourselves on. This is part of our D.T. project about healthy snacks and the children will make their own snacks in the next few weeks.

Now that the weather is colder please ensure your child has a named coat in school every day. Also track suit bottoms or leggings are useful for P.E. as we do go outside if it is dry.

Thank you as always for your continued support, we really appreciate it.
